## **PLEASE READ CAREFULLY BEFORE ORDERING**

### **GUARANTEE**

We exercise the greatest care to have first-class bulbs true to name and will replace free any stock proving otherwise. Please notify us at once if shipment should not arrive in a satisfactory condition.

### **ORDER EARLY**

Many varieties are sold out early. Order promptly to avoid disappointments. But late orders will receive careful attention.

### **TERMS**

Our terms are Net Cash before shipment unless arranged otherwise. 25% will hold winter orders until March first. Orders not fully paid for will be sent C. O. D. for the balance at time of shipment to you.

### **GRATIS**

All orders are filled with a very liberal overcount. Gratis of varieties other than ordered are included in each customer's package. We strive to keep our prices as low as other reliable growers, and will gladly include overcount to cover any reasonable reduction after list is issued.

### **POSTAGE**

All orders amounting to \$1.00 or over will be sent prepaid to any point in United States and Canada, if taken from our Prepaid List. On orders of less than \$1 add 15 cents postage.

### **PRICES**

Prices listed herein cancel all previous quotations. All stock offered and orders accepted subject to prior sale. We will gladly meet any other grower's prices where possible.

### **WHOLESALE PER THOUSAND**

If you will send us your list of wanted varieties, stating quantity and size of each, we will be very glad to quote you **SPECIAL REDUCED PRICES** on gladiolus bulbs **PER THOUSAND**, either Prepaid or f. o. b. Seabrook, N. H., as you prefer.

**PLEASE MAKE MONEY ORDERS PAYABLE AT THE EXETER,  
NEW HAMPSHIRE, POST OFFICE**

**Please Select Second Choice, if Possible**

## **A Message of Thanks!**

WE'RE NEVER TOO BUSY TO SAY "THANK YOU" to our patrons nor are we ever too busy to give complete and careful attention to everyone who comes to our gardens or orders by mail. But at the year-end the members of SEABROOK NURSERIES feel urged to express a very special "THANK YOU" to cover the whole year and to go to all the friends whose patronage and good will have meant so much to our success.

So we are sending you this sincere message of appreciation to let you know what is in our hearts. We invite you to visit our 20 acres of gladiolus, in bloom from July 15th until frost, located on U. S. Route 1, main highway to Portsmouth, N. H., six miles from Newburyport, Mass.

SEABROOK NURSERIES,  
Seabrook, N. H.

# CARE AND CULTURE OF GLADIOLUS

Select a sunny location away from the roots of trees and shrubs. Plant four to six inches deep, having bulbs five or six inches apart.

Place bulbs in a well worked trench in staggered or zigzag row— . . . and cover at first with about two inches of loam; when shoots begin to appear, work balance of loam into the trench. At all times keep the soil loose. As an aid to producing larger blooms work in fertilizer around the plants when about a foot or more in height and never at planting time. At the time flower spikes appear, abundant watering is very beneficial.

Bulbs should be dug as soon as you note the leaves turning yellow. Cut stem off half an inch above bulb, spread them out to dry for two or three days in a sunny location and then place in an open shed or room for two weeks or more before storing them away in a good dry cellar. Keep them spread out and not over three inches deep, give bulbs an occasional airing during the winter.

When cutting flowers leave at least four leaves remaining on the plant. Positive injury to the blooming qualities of the bulbs for the following year will occur if this precaution is not heeded.

For cut flowers, cut the spike when first bud fully opens. The remaining buds will open nicely and give a longer period of bloom and greater enjoyment.

Remove wilted blossoms, change water and cut off small portion of the stems each day.

---

## CONTROL OF THRIP

This insect can be carried on clothing, from one field to another by birds, high winds or in bouquets. Many bulbs are perfectly clean when planted, yet contract Thrip before season is over.

Thrip are black and cream, 1-16 inch long and live in the folded gladiolus leaves. Sometimes they can be detected by the silvery sheen on leaves although many times discovery is too late and the buds do not open as the insect has extracted all juice from them previously.

When plants are about three inches tall and thrip is found, it is best to use a solution of the following as a **weekly spray**.

Use 1 pound Tartar Emetic, 4 pounds brown sugar to 25 gallons water for weekly spray. Tartar Emetic is a deadly poison to human beings. Tartar Emetic spray will not burn the foliage. Or use 3 gallons water, 2 tbsp. of Tartar Emetic and 1-3 cup sugar for smaller amounts.

If discovery is made too late, it is best to cut tops off, about six inches from ground and burn them, allow bulbs to stay in ground until digging time. The above spray can be used on remaining stalk to kill anything which might be left.

Dig, clean and dry bulbs in usual manner. Place thoroughly dry bulbs in boxes, heavy paper bags or receptacles. Sprinkle Naphthalene Flakes at the rate of 1 pound to 2000 bulbs or 1 ounce to 100 corms over bulbs. Immediately cover receptacles with heavy paper or tie heavy paper bags at top to confine fumes. Keep bulbs at temperature of about 60 degrees for three weeks. Then shake off ALL FLAKES and store bulbs in dry place, uncovered, at 40-50 degrees for winter.

**Warning**—Treat stock in Fall, before roots swell or form at base. Naphthalene adhering to bulbs will burn rootlets where they appear. Bulbs must be thoroughly dry before treating with Naphthalene.

Bichloride of Mercury can be used to disinfect in proportion of 1 ounce to 8 gallons of water, or 10-15 grain tablets to gallon water, or if only a small amount of bulbs use 1-5 grain tablet to 1 pint water, soaking bulbs in solution for 3 hours. If many varieties to soak at the same time, place them in sugar, salt or net bags, labelling each variety, using little wood labels. A waterproof pencil can be used on the labels for marking.

---

### NAPHTHALENE FLAKES, 2 POUND PACKAGE, 50 CENTS

**LYSOL DISINFECTANT.**—As a dip for gladiolus bulbs, it has proven very satisfactory, 4 teaspoonfuls of Lysol mixed in 1 gallon of water, soaking the bulbs for 6 hours eliminates thrip and stimulates root growth.

Although this method has not been tried by us, we have known of others who have had success with Lysol. It may prove more satisfactory than the Mercury method.

## GIFT COLLECTIONS

Plan on presenting Gladiolus bulbs on Special Occasions, Birthday, Valentine, Easter, Mother's Day, Father's Day or just any day before planting time so your relatives or friends may enjoy these lovely blooms this Summer, in their gardens.

These Selections are made up of large sized bulbs correctly labeled. Total value of any single collection is over \$2.00.

### ANY ONE COLLECTION FOR \$2.00—ANY THREE FOR \$5.75

## SIZE OF BULBS

In Retail list, the large bulbs that we offer are  $1\frac{1}{4}$  inches and over in diameter; medium size are  $\frac{3}{4}$  inch up, and small bulbs  $\frac{3}{8}$  inch up. For Wholesale sizes see list.

Beside the originator's name we have listed the approximate flowering season of each variety as follows:

E—Early, under 70 days from planting.

EM—Early Midseason, 70-80 days from planting.

M—Midseason, from 80-90 days from planting.

LM—Late Midseason, over 90 days from planting.

L—Large

M—Medium

S—Small

Blts. Bulblets.

For large quantities see Wholesale List.

3-4 or 6 may be purchased at the 12 rate.

No single item accepted for less than 10 cents.

### AFLAME (EM) Hornberger

Outstanding red Prim Grand. Per dz. L 50c M 30c S 20c 100 Blts 15c.

### AIDA (EM) Pfitzer

*FINE YELLOW GLADIOLUS*

See Page 12 for Description

### **GLADIOLUS FOR THE PERSONAL GARDEN**

During the season, we have received letters from customers asking if they could have certain colors, due to the fact that they do not want some one color in their garden.

So, we have decided to include in our catalog a type of collection, or rather mixture, of bulbs to suit the needs of these customers.

**PINK AND WHITE  
BLUE AND YELLOW**

**RED AND WHITE  
PINK AND BLUE**

Or any other two colors at \$4.00 per Hundred, for large,  
\$2.25 for Medium sized bulbs. 50 Bulbs at one half the hundred rate.

Light, medium and dark shades of each color included in each package.

## **MIXTURES**

We have long been noted for the excellence of our mixtures, stating, with reasonable assurance, that there are but few growers able to offer as varied and choice assortments such as we assemble. The bulbs are all 1 $\frac{1}{4}$  inches and over, and not the medium bulbs 1 inch or smaller, such as many offer at even greater prices. If you want medium bulbs, pay only what you should.

### **GARDEN MIXTURE**

Composing many fine varieties, all colors. Splendid for a gorgeous garden display or flowers for cutting. \$2.00 per hundred, fifty for \$1.00 or 25c a dozen. Medium bulbs \$1.25 per hundred, fifty for 75c.

### **PRIMULINUS MIXTURE**

For daintiness and quality, there is nothing that can equal our Primulinus Hybrids. For table or interior decorating, they are unsurpassed. \$3.00 per hundred, fifty for \$1.50 or 50c doz. Medium bulbs \$1.50 per hundred, 50 for 75c.

### **SEABROOK MIXTURE**

#### **Exhibition Types**

Made up of a large number of very choice varieties of superior merit. If bought under name the bulbs would cost many times the price asked. \$4.00 per hundred, \$2.00 for fifty, 60c doz. Medium bulbs \$2.50 per hundred, \$1.25 for 50.

### **DELUXE COLLECTION**

To satisfy the demand for a mixture containing the choicest varieties that it would be possible to buy for a reasonable price, we offer this collection with the assurance given that you will be agreeably surprised at the wonderful value. Every bulb that is put into this collection is from a variety of the finest exhibition type and collection well balanced as to colors. \$6.00 per hundred, \$3.00 for fifty, \$1.50 for twenty-five. Medium bulbs, \$4.00 per hundred. \$2.00 for 50.

### **COLOR COLLECTION**

Ten large bulbs, each color labeled, 100 bulbs in all, Yellow, Red, Pink, Cream, Salmon, Lavender, White, Purple, Orange and Old Rose. These are put up in three grades, \$2.00, \$4.00, and \$6.00. We can assemble these also in packages of 5 each at half price.

### **IRIS**

We have numerous varieties not labeled that can only be sold in mixtures. All good sorts in a varied collection, \$1.00 dozen. Also lots of single Colors for \$1. dozen. Buy a Yellow, White, Orchid or Mahogany collection.
